

## Three for Me ~ A little means a lot!

Mount Washington is able to remain a great school by providing our students with Teacher's Aides, Visual and Performing Arts (Drama and Visual Art), Computer Lab Aide, Focus Fish (physical education program), after school programs, and much more, ONLY with the help of our generous parents' volunteer hours at the many events that fund those valued programs. Please make a pledge to volunteer. There are many fundraising and program activities planned throughout the year which require help from the entire parent body in order to be a success. If each of us gave only 3 hours of our time during the entire school year we would have a total of approximately 2,000 volunteer hours to contribute to making our students experience here at MWE the best it can be. We are all busy people with demands placed on us by jobs and families, but if we work together as a community we can make a huge difference in our children's lives. Make a commitment to your child's quality education today. Please pledge to volunteer your three hours by completing the "Three for Me" volunteer pledge form below. Return your pledge to your child's teacher or to the main office.

Thank you for your commitment in helping to better our children's education.

The MWPTA Board
